Campus of enrollment:: Spokane Vancouver Tri-Cities Yakima
Walla Walla

Undergraduate Students:

Semester in which you are currently enrolled

- Junior 1
- Junior 2
- Senior 1
- Senior 2
- Five semester program (Circle current semester)
1/5 2/5 3/5 4/5 5/5
- RN-BSN

Graduate Student

Clinical Track: (circle one) FNP CHN Psych/Mental Health

List all of the clinical courses you have completed and in which you are currently enrolled.

Semester in which you wish to travel:

Summer 2007

Opportunity for which you are applying **PERU**

Your current cumulative GPA _____

What languages do you speak other than English?

Rate your proficiency in speaking each language (1=minimal, 4=fluent)

Section B – Interests and Experience

Have you lived or traveled outside the United States or worked in a cross-cultural environment in the U.S.

If yes, describe your experiences.

What do you expect to learn as a result of participating in the opportunity for which you are applying?

How do you think you can use this experience to enhance your nursing practice?

What do you want to contribute professionally and personally to the people and communities to which you would be traveling?

Describe how you might adapt to food, customs, and living conditions that are very different from those to which you are accustomed.

Respond to each of the following scenarios

Scenario 1

Breakfast consists of cold fruit soups, made with fruit you are unfamiliar with and pureed cereal. How will you handle this?

Scenario 2

You are staying in a jungle village with no running water. All water must be carried from the river. You are hot, tired and sweaty after a long day of work. All you want is a hot shower. How will you manage?

Scenario 3

You notice that a long line of people is waiting in the hot sun. Many are elderly or small children. What can **YOU** do?

OR

You are not getting along with one of your teammates or roommates. What will you do?

References:

List three people we can contact about your clinical proficiency, work ethic, and ability to work with others.

Submit a letter from a nursing faculty who has been one of your clinical instructors addressing your clinical proficiency, work ethic, and ability to work with others.
