## Public Health Nurse Nurse-Family Partnership® Program

**Hours:** Full-time, 40 hours per week  
**Salary:** PHN I \$3711 - \$4091, excellent benefit package  
**Closing Date:** Until Filled

## The Position

**DEFINITION:** Our nurses make a profound difference in the lives of low-income, first-time parents and their children. Public health nursing is the practice of promoting and protecting the health of populations using knowledge from nursing, social, and public health sciences. Nurse-Family Partnership's (NFP) maternal health program introduces vulnerable first-time parents to caring maternal and child health nurses. This program allows nurses to deliver the support first-time moms need to have a healthy pregnancy, become knowledgeable and responsible parents, and provide their babies with the best possible start in life.
