

Emergency Contact Numbers for Practicum

EMERGENCY RESPONSE

What constitutes an emergency?

1. Personal injury, needle stick, fall
2. Medication or treatment errors
3. Unacceptable behavior

RAPID CONTACT OF FACULTY (Within 24 hours)

1. Irresolvable conflict
2. Grave concerns related to ability
3. Projected mentor extended absences

Monday through Friday, during the hours of 0700-1900 (12-hour day shift) call your faculty facilitator first for any Emergencies. If unable to reach your own faculty, then call the "On-Call" person. During all other hours, call the "On-Call Person" listed in the schedule below.

It is fine to float to another unit with your preceptor or a preceptor you are assigned to. You do NOT need to get permission from your Faculty Facilitator or on-call person to float.
