Introduction of Graduates

Thank You and Close

Dear Graduates—

Congratulations, Class of 2025! Today we celebrate your hard work, your growth, and your unwavering commitment to the nursing profession. You have earned your place among the proud legacy of Coug Nurses, and we couldn't be more honored to share this moment with you.

As nurses, you will be invited into some of life's most profound moments. You will witness incredible joy—new life, healing, hope restored—and you will also stand beside others in heartbreak, loss, and uncertainty. These experiences will shape you in ways that no textbook ever could. They will deepen your empathy, strengthen your resolve, and remind you of the power of human connection. Embrace these experiences and recognize the incredible role you hold as a nurse.

You are entering a field where your presence will matter more than you can imagine. The knowledge and skills you've gained at the WSU College of Nursing will serve as your foundation, but it is your compassion, courage, and authenticity that will define your impact.

We are proud of you, inspired by you, and confident in the difference you will make. Wherever your journey takes you next—whether in hospitals, clinics, communities, or classrooms—know that you carry with you the legacy of Coug Nurses who lead with heart and excellence.

Go forth boldly. Go Cougs!

With heartfelt congratulations,

Dr. Anne Mason

**Let me dedicate my life today**

To the care of those who come my way  
Let me touch each one with a healing hand  
And the gentle art for which I stand  
And then tonight when day is done  
Let me rest in peace if I've helped just one.
